To Whom It May Concern:

My name is John Doe and I am writing to be considered as a student teacher candidate in your district. I am a fourth-year student at Dakota State University majoring in Mathematics Education. I also have football and basketball coaching endorsements as well as a K-12 Classroom Technology endorsement. I am excited to begin student teaching as a final step of my teacher preparation program.

My skills, teaching philosophy, and experience have prepared me to be an exceptional student teacher for your district. I excel in mathematics content knowledge and pedagogical approaches that are proven effective with middle school students. I have strengths in organization, leadership, and innovation, and I am passionate about promoting the holistic growth of students. My coursework at DSU has prepared me to equip students with an attitude of lifelong learning as I provide them with a foundational understanding of mathematical concepts complemented by relevant technology integration and literacy. I am also interested in being involved in extracurricular roles in your district to support students in developing every aspect of themselves.

I would be honored to be considered as a student teacher candidate for your district. Thank you for your time and consideration; I am looking forward to hearing from you.

Respectfully yours,

John Doe

A handwritten signature in black ink that reads "John Doe". The signature is written in a cursive style with a large, looped 'J' and a distinct 'D'.
